

No employee of the district will solicit or encourage solicitation of gifts for himself or herself.

While recognizing that the actions of other individuals or organizations cannot be controlled, it is the intent of the district to discourage individuals or organizations from presenting gifts to school employees except in recognition of special occasions or special services rendered to the school or community.

District employees are urged to refuse to accept any gift that would tend to place them or the district in a compromised or embarrassed position.

Teachers are specifically directed not to obligate themselves to give prizes or awards of any intrinsic value to students, or to accept gifts of consequence from students.
