

The board will support, protect, and aid any school employee who suffers *written, verbal, or physical* abuse by a *student*, parent or guardian, or other person while acting within the course and scope of his or her employment and within the scope of the district's policies.

If a student, parent or guardian, or other person abuses a school employee the incident will be immediately reported to the superintendent, who will then notify the board, the student's parent or guardian, and local law enforcement, as the situation warrants.
