

It will be the policy of this district to maintain the Grace Student Information System (GSIS), a system of student attendance accounting which will show the number of days present and absent for each enrolled student. The record of attendance for each student will be entered upon his or her permanent student record.

*Each building principal will establish a system of accounting to deal with absences and truancy. Such accounting system will be subject to the approval of the superintendent of schools.*

*Unexcused absences are absences without the knowledge and consent of the student's parent/guardian.*

*The penalty for unexcused absences is at the discretion of the principal. Continued truancy will result in suspension from school.*

*For further information on attendance, please refer to annual GHS student handbook*
