

1. *Authority is vested in the principal (faculty and students should be included in the process) to inaugurate programs to develop wholesome attitudes, to establish necessary rules, and to agree upon standards which will accomplish the aforementioned programs.*

2. *It is the position of the Grace School District that appropriate and acceptable appearance of students is the basic responsibility of the home, however, the following standards represent the code approved by the Grace School District.*
 - A. *In all areas of the school, students must dress modestly and in good taste.*
 - B. *Students should be well-groomed.*
 - C. *Shoes must be worn.*
 - D. *No tank tops*
 - E. *Shorts may be worn to school, but they must be modest in length and in good taste; this also applies to skirts.*
 - F. *Shoes or other articles of clothing that could damage school property must not be worn.*
 - G. *Clothing with the obvious display of undergarments will not be allowed. This also includes pants that are worn low on the body, allowing undergarments to be displayed.*
 - H. *Clothing exposing (excessively) any part of the torso, e.g., midriffs, halters, or similar wear, will not be allowed.*
 - I. *Clothing that is distracting, offensive, vulgar, or in poor taste is prohibited. This could include obscene, sexual, drug/alcohol/tobacco related messages or gang symbols.*
 - J. *Clean shaven---a well-trimmed mustache and/or beard are permissible.*
 - K. *Students may not wear hats, bandanas, or distracting head gear in the school building during the school day (including thirty minutes after school). (Exceptions may be granted by an administrator for medical reasons or by vocational teachers under certain conditions.) These items will be confiscated by the administrator and dealt with based on student handbook procedures.*

3. *Extracurricular clubs or organizations may set additional guidelines for their activities.*
