

This district prohibits students from committing acts of violence against other students, district personnel, or other persons. Any assault or battery by a student on an employee of this district, another student, or other person, occurring on or near the school property or at a school sponsored event will result in the student being disciplined.

Assault is defined as any willful attempt or threat to inflict injury upon another person, when coupled with an apparent present ability to do so, and any intentional display of force such as would give the individual reason to fear or expect immediate bodily harm. An assault may be committed without actually touching, or striking, or doing bodily harm to another person.

Battery is defined as the willful and unlawful use of force or violence, or the actual, intentional, and unlawful touching or striking against the will of another, or unlawfully and intentionally causing bodily harm.
