

Transportation to all school-sponsored activities scheduled outside this district will be provided for student participants by the district. All student participants are required to ride district provided transportation to and from these scheduled events. Under special circumstances, district transportation may, with administrative approval, include privately owned vehicles.

If a student participant wishes to ride home with his/her parent/guardian, arrangements must be made by the parent/guardian with the coach/advisor in writing. Arrangements to ride with someone other than the student's parent/guardian must be made in person and in writing at the Grace High School Office before the bus leaves the school, unless the parent/guardian is at the activity. Arrangements made after transportation has left may not be honored.

Under no circumstances will student participants be allowed to transport themselves or other students to or from the activity, except in the presence of his or her parent/guardian.

Student spectators are not covered under this policy and are under the direction of parent/guardian or designee.

(For further information, please see GHS student handbook)
